

ECMI Conference 2016

19th European Conference on Mathematics for Industry

Place: Santiago de Compostela, Spain

Date: June 13-17, 2016

ECMI conferences are promoted by the [European Consortium for Mathematics in Industry](#) with the aim to enforce the interaction between academy and industry, leading to innovation in both fields. They are one of the main forums where significant advances in industrial mathematics are presented, bringing together prominent figures from business, science and academia to promote the use of innovative mathematics to industry. They also encourage industrial sectors to propose challenging problems where mathematicians can provide insight and new ideas.
